Directions

My office is Suite 237 on the second floor of the Gibson Building on the campus of Sheppard Pratt in Towson. I sublet this office from Dr. Jennifer Katze; her name is on the door. There is a small waiting area just outside the office.

Note: If you are coming to a Saturday appointment, you will need to drive around to the back of the Gibson building and enter through the glass doors.

From the beltway using the Charles Street Entrance

Take Baltimore beltway (I-695) to Exit 25-Charles Street. Proceed south on Charles Street for approximately 2 miles. Just *after* the GBMC entrance, you will see a sign designating a left turn into Sheppard Pratt. You will enter the grounds through the Gatehouse, and you are on Gatehouse Drive.

Gatehouse Drive comes to a “T.” Veer left and circle the buildings. Pass the Conference Center on your left. Pass the GBMC Healthcare building and parking garage on your left. Immediately after the parking garage, turn left onto Friends Lane. (Note the lovely Quaker meeting house on your left.) Go to the end of the lane and park in the parking lot of the Gibson Building.

From the beltway, using the Osler Street Entrance

Take Baltimore beltway (I-695) to Exit 25-Charles Street. Proceed south on Charles Street for approximately 2 miles. (This entrance is opposite the Fine Arts Building of Towson University).

At the “T,” take the right fork, staying on Campus View Drive. Circle, passing the magnificent old hospital building on your left. Immediately after passing Parking Lot G, turn right onto Friends Lane. Go to the end of the lane and park in the parking lot at the Gibson Building.
